

Some of our Projects:

- Airport Cooperative Research Program / BIM Beyond Design Guidebook
- The Port of Seattle / BIM Needs Assessment and BIM Standards
- The Greater Orlando Aviation Authority / BIM Analysis
- The Port Authority of NY & NJ / Conditions Assessments at 3 major Airports (JFK, EWR and LGA)
- Miami International Airport / BIM Standards
- Cleveland Hopkins International Airport / Parking Redeveloping Program
- John Glenn Columbus International Airport / Runway Relocation
- Memphis International Airport / Design for the EMAS
 - Rickenbacker International Airport / Runway Rehabilitation and Modification of Standards (MOS) Phase 2A
- John Glenn Columbus International Airport / Taxiway F & H Rehabilitation

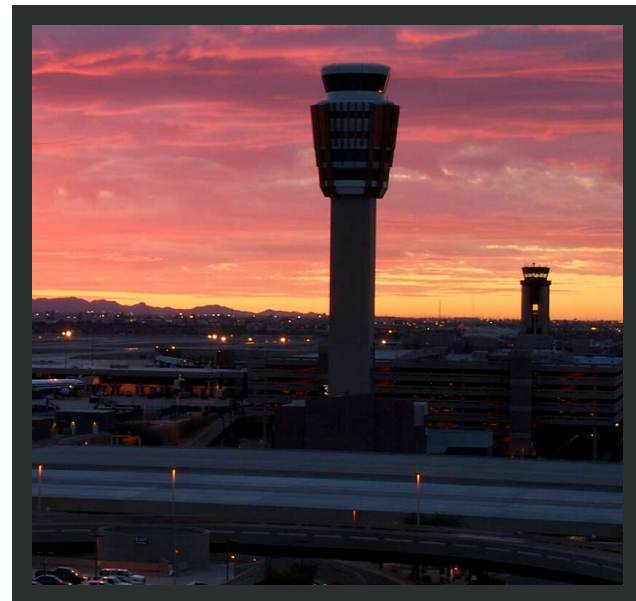

With offices in Ohio, New York, Georgia, and Florida, CCI has a staff of Planners, Project Managers, GIS/BIM Specialists, Inspectors, Programmers and Technicians that have supported over 40 airports in 11 states. CCI provides a wide range of essential airside and landside services to design and construction firms within the aviation industry that include but are not limited to:

- Pavement Evaluation & Design
 - Runways, Taxiways, Aprons
- Lighting Design
 - ALSF-2, MALSR, PAPI, REIL
- Grading, Drainage & Utility Design
 - Pipe / Pressure Networks
- Environment Design
 - SWPPP and SPCC
- Building Evaluation and Assessment
 - Terminal, Boarding Bridges
- Master Plan / Airport Layout Plan Updates Support
- FAA Grants and PFC's

Engineering & Planning Design Support Services:

- Computer Aided Drafting and Design (CADD)
 - AutoDesk and Bentley Software
- Building Information Modeling (BIM)
 - Digital Twin, Asset Management
- Geographic Information Systems (GIS)
 - Custom Website and Interfacing Data
- AviPLAN Airside Pro Modeling
- Visualization Tools
 - Exhibit Preparation
 - Virtual and Augmented Reality (VR & AR)
 - Animations
 - Simulations

Technical Writing & Project Support Services:

- Grant Writing and Research
- Engineering Reports & Cost Estimate Review
- FAA Advisory Circulars and Technical Specifications
- 7460's and Airspace Analysis
- Construction Safety Phasing Plan (CSPP) and Safety Plan Compliance Document (SPCD)

Construction Administration / Construction Inspection (CACI) Services:

- Construction Scheduling (Primavera)
- Construction Phasing and Constructability
- Change Order / RFI Control
- Pay App Review / Quantity Tracking
- Onsite Inspection & Reporting
- Record Documentation / As-Builts
- Project Commissioning / Close Out
- Project Safety and Risk Management

CCI is a Woman-Owned Small Business (WOSB) and DBE certified in 16 States and Puerto Rico along with DBE, WBE/FBE, and SBE certified with 41 agencies nationwide, included being an approved GSA supplier.
